

# Learning Experience Year 3

Monday 1<sup>st</sup> September – Friday 29<sup>th</sup> September

## English

We will be learning the skill of instructional writing and aim to produce a set of instructions about how to kill a wolf based on the book 'The three little pigs' The children will be thinking about how they can include more detail in their writing, ensuring it is still clear and concise! They will be thinking about the effect their writing and language has on the reader.

Discrete lessons on Spelling, Punctuation and Grammar

(Roald Dahl day Thursday 13<sup>th</sup> September)

## DT

The children will be cooking lots, they will have the opportunity to make delicious food and sweet treats. We will talk about how to make sure the food we eat is prepared safely and hygienically as well as ensuring it tastes delicious.

## Maths

We will be using our Maths skills to help us read scales accurately and understand about converting measurements. This will be vital to ensure we make our food correctly following given instructions.

There will be other discrete Maths learning taking place focusing of place value, as well as addition and subtraction.

# Scrumdiddlyumptious

Visit to Pizza Express (Thursday 2<sup>nd</sup> September)

## French

As well as learning some basic French vocabulary, we will spend some time learning about the food culture in France and French vocabulary for basic foods.

## Science

We will look at food groups, thinking specifically about the need for the right types and amount of nutrition. We will discuss the fact that we get nutrition from what we eat and think about how to be healthy.

## Geography

We will be looking at various maps of the world. We will be learning about continents and countries, including discussing the country's culture and most commonly found ingredients. We will also discuss the climate of the country and how this relates to the most commonly eaten food.

## Homework

Research the different foods eaten in schools around the world. Compare school dinners which you have experienced with other countries. Share what you have researched in any way you wish. PowerPoint, art piece, video, collage, drawing, writing etc. Due in on **Monday 25<sup>th</sup> September**.

We can't wait to see what you discover!

## Discrete learning

RE, PE, Handwriting, Computing, SPAG (Spelling, Punctuation and Grammar)
