

Learning Experience Curriculum Outline for Year 5

This will start from: 6th September - 27th October 2017

English

In English, we will begin by focussing on our narrative writing, revising adding more description, noun phrases and adverbials. We will then move on to writing a non-chronological report about the tudors focussing on strong patterning of words, cohesion through the text and brackets for parenthesis.

Outcome

Write Fact file on the Tudors, who they were, when they were and how they impacted on Britain.

PE

TUFC will be focussing on teaching the class dance this half-term.

The Tudors

History and Geography

This half term the children will be learning about the Tudors. When and who they were. We will be comparing life for different people (classes), what they did for entertainment and how life has changed from then and now. We will look at the politics of the time and how it changed. We'll research traditional tudor buildings and create our own Tudor dwelling.

Art

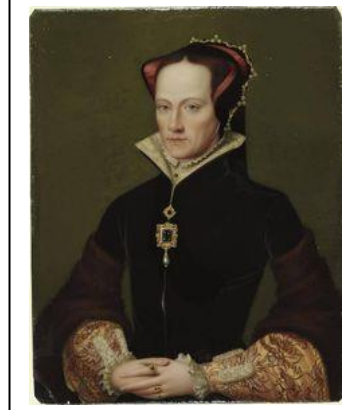

We will look at Tudor artwork and how the tudors created different colours. We will emulate and try to create our own version of a Tudor Portrait.

Computing

In computing this half term we will be using a range of computer programmes to accomplish given goals including collecting, evaluating and presenting information.

Maths

In Maths, we will be focussing on Number sense including place value, with fractions and decimals. Additive reasoning focussing on rounding and multistep problems using all four Maths operations.

Homework: Research a famous Tudor explorer or playwright! Maths and Grammar.
